FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years. Your druggist sells it. Please try it.
N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn. 38. Special instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

IN conformity with methods adopted by the majority of successful business men of our country, and to relieve myself of the most troublesome feature in merchandising, I WILL ADOPT THE

CASH SYSTEM

ON AND AFTER THIS DATE
Running long accounts and worrying with the collection of such, is of no advantage to buyer or seller.

I will, however, where conditions will fully justify it, extend credit for thirty days, but no longer.

Believing that the trade will fully appreciate that the cash basis will enable me to sell all building material and general hardware on a much closer margin, and consequently to the great benefit of the buyer, I expect to greatly increase my sales and devote more time to the interests of my patrons, heretofore consumed on my books and collections.

I ask that the trade meet me no more than half way on this business proposition.

—A. F. Arrington.
